St. Louis, Missouri

Boeing celebrated Engineers Week 2005 enterprise-wide with a variety of events. For example, in St. Louis over 900 visitors toured the Phantom Works Technology Display Center. The Puget Sound facility had a Pinewood Derby contest and Anaheim featured a rocket launch contest, while Huntington Beach got "egged" in the egg-drop contest. Almost every location participated in DiscoverE outreach to local schools or invited students on site. For the complete report [click here](#) (.pdf).

 Add news of your own local events [here](#).
