

Interested in ideas and people that make a
difference?
Have an idea for changing the world?
Enter National Academy of Engineering's

Engineering: Improving Our World Essay Contest

In 500-1000 words tell how you think engineers have and continue to improve the world. Focus your essay on *one* of the following topics:

Engineering For Today

What have engineers done to improve the quality of your life today? What in your world have engineers made possible?

Engineering For Tomorrow

What significant technologies will engineers develop by the year 2020? What problems will they solve?

Who Can Enter?

The contest is open to all students in grades 4-9, individuals or teams of up to six students. Entries will be judged in two divisions:

- Grades 4-6
- Grades 7-9

How Do I Enter?

Write an essay of 500 -1000 words describing what an engineer has done for you today or what an engineer will do for you in the future. Entries may be submitted in ONE of the following ways:

- Online submission form
- Email attachment to webcontest@nae.edu
- Regular mail on an IBM formatted 3.5" disk sent to:
